BEING A SELECT LIST OF THE BETTER VARIETIES OF GLADIOLI

GROWN BY

FRANCIS H. WILLIAMS

14 FRENCH ST., PAWTUCKET, R. I.

Season of 1927

The following is a list of those choice varieties in my collection of which I have a surplus and are guaranteed to be of first quality and true to name.

I am aware that the very brief descriptions herein given are wholly inadequate, also that fuller descriptions would convey but a faint idea of the enhancing beauty of the lovely varieties offered; a good spike of bloom must be seen to be fully appreciated; but if there are those in this list that the thin the property of the control of the enhancing beauty of the lovely varieties offered; a good spike of bloom must be seen to be fully appreciated; but if there are those in this list that the thin the control of the control of the enhancing beauty of the lovely varieties offered; as a standard varieties and while cheap in price and somewhat common are still rated as among the best. Many are, however, comparatively new and some few quite so and have been given high ratings.

As stock of some of the varieties offered is limited you are advised to order early and avoid disappointment. Orders will be filled in rotation as received. We do not substitute unless permission is given to do so, but would suggest that you make a second choice. You may order 12 bulbs of equal value for the price of 10 single bulbs, or 6 bulbs for the price of 5. (These may be one or more varieties.) Size A bulbs will be 1½" up; size B bulbs about ½" up to 1½"; size C bulbs (planting stock) under ¾".

TERMS:

Cash with order or 25% deposit will hold your order until April 1st, balance before shipment.

No order accepted for less than one dollar.

Bulbs prepaid at prices quoted. No order accepted after May 1st.

Canadian orders must be accompanied by number of import permit and remittance should be made by International Postal or Express Money Order.

Shipments of bulbs will begin March 15th, or as soon as safe to do so. Bulblets can be pa
